TO LOCAL POLITICAL SUBDIVISIONS:

THIS PACKAGE CONTAINS DOCUMENTATION TO PARTICIPATE IN THE NEW NATIONAL OPIOIDS SETTLEMENT. YOU MUST TAKE ACTION IN ORDER TO PARTICIPATE.

Deadline: August 12, 2024

A new proposed national opioids settlement ("*New National Opioids Settlement*") has been reached with Kroger ("*Settling Defendant*"). This *Participation Package* is a follow-up communication to the *Notice of National Opioids Settlement* recently received electronically by your subdivision.

You are receiving this *Participation Package* because Virginia is participating in the Kroger settlement.

If a state does not participate in a particular Settlement, the subdivisions in that state are not eligible to participate in that Settlement.

This electronic envelope contains:

- The *Participation Form* for the Kroger settlement, including a release of any claims.

The *Participation Form* must be executed, without alteration, and submitted on or before August 12, 2024, in order for your subdivision to be considered for initial participation calculations and payment eligibility.

Based upon subdivision participation forms received on or before August 12, 2024, the subdivision participation rate will be used to determine whether participation is sufficient for the settlement to move forward and whether a state earns its maximum potential payment under the settlement. If the settlement moves forward, your release will become effective. If a settlement does not move forward, that release will not become effective.

Any subdivision that does not participate cannot directly share in the settlement funds, even if the subdivision's state is settling and other participating subdivisions are sharing in settlement funds. Any subdivision that does not participate may also reduce the amount of money for programs to remediate the opioid crisis in its state. Please note, a subdivision will not necessarily directly receive settlement funds by participating; decisions on how settlement funds will be allocated within a state are subject to intrastate agreements or state statutes.

In Virginia, participating counties and independent cities may receive some of the settlement funds directly, pursuant to the allocation framework set forth in the Virginia Opioid Abatement Fund and Settlement Allocation Memorandum of Understanding (“MOU”), which has been previously approved by all Virginia counties and cities, and the Virginia Opioid Abatement Fund statute, Va. Code § 2.2-2374. In addition, some towns are being asked to approve the settlements and submit participation forms because, due to the structure of the settlement agreements, towns above a certain population threshold must approve the settlements and submit participation forms in order to maximize the overall recovery for the Commonwealth and its subdivisions. Participating towns are not eligible to receive direct shares from the settlement funds—however, they may be able to apply for, request, or receive funds for opioid abatement programs through their counties. Participation by these towns will help to maximize the recovery for all of Virginia’s counties, including the counties in which they are located.

You are encouraged to discuss the terms and benefits of the *New National Opioids Settlement* with your counsel, your Attorney General’s Office, and other contacts within your state. Many states are implementing and allocating funds for this new settlement the same as they did for the prior opioids settlements with McKesson, Cardinal, Cencora (formerly AmerisourceBergen), J&J/Janssen, Teva, Allergan, CVS, Walgreens, and Walmart but states may choose to treat this settlement differently.

Information and documents regarding the *New National Opioids Settlement* and how it is being implemented in your state and how funds will be allocated within your state can be found on the national settlement website at <https://nationalopioidsettlement.com/>. This website will be supplemented as additional documents are created.

How to return signed forms:

There are three methods for returning the executed *Participation Form* and any supporting documentation to the Implementation Administrator:

- (1) *Electronic Signature via DocuSign*: Executing the *Participation Form* electronically through DocuSign will return the signed form to the Implementation Administrator and associate your form with your subdivision’s records. Electronic signature is the most efficient method for returning the *Participation Form*, allowing for more timely participation and the potential to meet higher settlement payment thresholds, and is therefore strongly encouraged.
- (2) *Manual Signature returned via DocuSign*: DocuSign allows forms to be downloaded, signed manually, then uploaded to DocuSign and returned automatically to the Implementation Administrator. Please be sure to complete all fields. As with electronic signature, returning a manually signed *Participation Form* via DocuSign will associate your signed forms with your subdivision’s records.
- (3) *Manual Signature returned via electronic mail*: If your subdivision is unable to return an executed *Participation Form* using DocuSign, the signed

Participation Form may be returned via electronic mail to opioidsparticipation@rubris.com. Please include the name, state, and reference ID of your subdivision in the body of the email and use the subject line Settlement Participation Form – [Subdivision Name, Subdivision State] – [Reference ID].

Detailed instructions on how to sign and return the *Participation Form*, including changing the authorized signer, can be found at <https://nationalopioidsettlement.com>. You may also contact opioidsparticipation@rubris.com.

The sign-on period for subdivisions ends on August 12, 2024.

If you have any questions about executing the *Participation Form*, please contact your counsel, the Implementation Administrator at opioidsparticipation@rubris.com, or Tom Beshere at the Virginia Attorney General's Office at 804-823-6335 or tbeshere@oag.state.va.us.

Thank you,

New National Opioids Settlement Implementation Administrator

The Implementation Administrator is retained to provide the settlement notice required by the New National Opioids Settlement and to manage the collection of the Participation Form.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Kroger Settlement.
