

Att. B - Applicant's Request

Narrative

My house has a separate accessory structure (carriage house) that has a 1 bedroom above the garage. I would like to Air B n B this accessory structure as a homestay exception. There is ample on-site (off-street) parking for more than 10 cars and the property is on 2.7 acres so it would not disturb neighbors to have guests in the carriage house. I have a pending application for a homestay and am submitting this application in addition as a special exception to be allowed to air b n b the carriage house, separate from the main house.

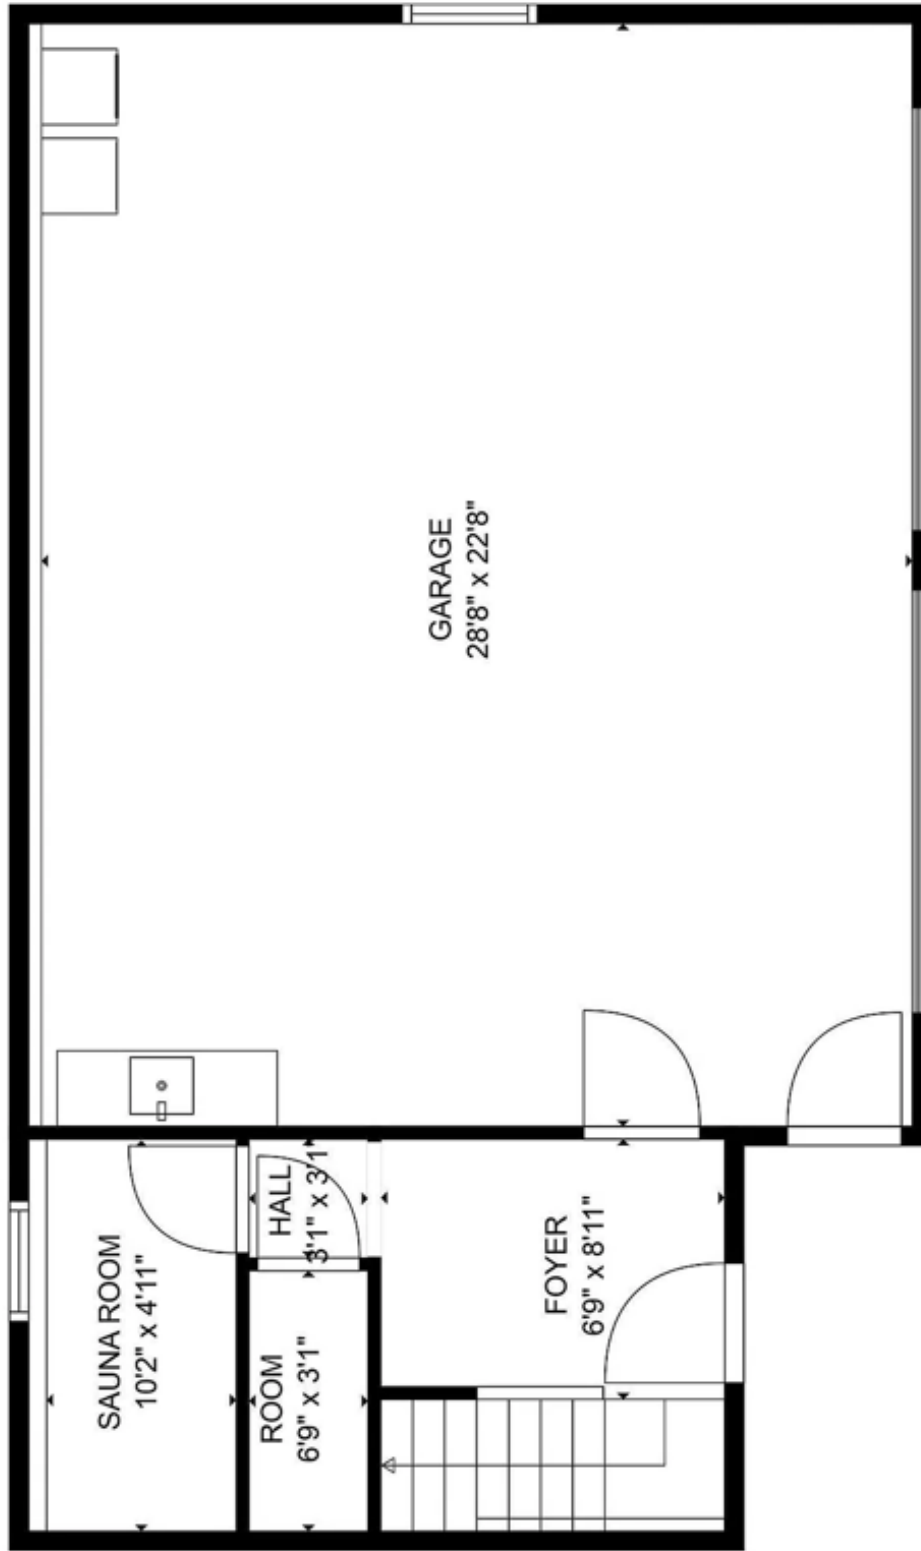

Also include:
