The 15% Affordable Housing Requirement may be met through a variety of housing types, including but not limited to, for-sale units or rental units. Required number of Affordable Units = 110 Units * 0.15 = 16. There will be 22 Affordable Dwelling Units provided in Block 4. This equates to 20% Affordable Housing, which exceeds the current 15% Affordable Housing requirement.
2. For-Sale Affordable Dwelling Units.
 - a. The Owner may meet the Affordable Housing Requirement by constructing Affordable Dwelling Units. For purposes of this Proffer 1(A), "Affordable Dwelling Unit" shall mean any unit affordable to households with incomes less than eighty percent (80%) of the area median income (as determined from time to time by the Albemarle County Office of Housing) in no event shall the selling price for such affordable units be more than sixty-five (65%) of the applicable federal HOME Investment Partnership Program (HOME) Homeownership Value Limits at the beginning of the 180-day period referenced in Proffer 1(A)(1) hereof (the "VHDA Limit"). The Owner shall impose by contract the responsibility herein of constructing and selling the Affordable Dwelling Units to any subsequent owner or developer of the Property (or any portion thereof). Such subsequent owner(s) and/or developer(s) shall succeed to the obligations of the Owner under this Proffer 1; and the term "Owner" shall refer to such subsequent owner(s) and/or developer(s), as applicable.
 - b. All purchasers of the for sale Affordable Dwelling Units shall be approved by the Albemarle County Office of Housing or its designee (the "Office of Housing"). At the proposed time of construction of any Affordable Dwelling Unit, the Owner shall provide the Office of Housing a period of one hundred eighty (180) days to identify and approve an eligible purchaser for such affordable unit. The 180-day qualification period shall commence upon written notice from the Owner to the Office of Housing of the approximate date the Unit is expected to receive a certificate of occupancy from the County (the "Notice"). Such Notice shall be given no more than ninety (90) days prior to the expected issuance of the certificate of occupancy, and the 180-day approval period shall extend no less than ninety (90) days after the issuance of the certificate of occupancy. Nothing in this Proffer 1 shall prohibit the Office of Housing from providing the Owner with information on income eligibility sufficient for the Owner to identify eligible purchasers of Affordable Dwelling Units for approval by the Office of Housing. If, during the 180-day qualification period, (i) the Office of Housing fails to approve a qualified purchaser, (ii) a qualified purchaser fails to execute a purchase contract for an Affordable Dwelling Unit, or (iii) a local non-profit affordable housing provider does not purchase the unit, then, in any case, the Owner shall have the right to sell the Unit without any restriction on sales price or income of the purchaser(s), and such unit shall be counted toward the satisfaction of this Proffer 1. This Proffer 1 shall apply only to the first sale of each of the for-sale Affordable Dwelling Units. For the purposes of this Proffer 1, such Affordable Dwelling Units shall be deemed to have been provided when the subsequent Owner/builder provides written notice to the Albemarle County Office of Housing or its designee that the unit(s) will be available for sale.
3. For-Rent Affordable Dwelling Units.
 - a. **Rental Rates.** The net rent for each rental housing unit which shall qualify as an Affordable Dwelling Unit ("For-Rent Affordable Dwelling Unit") shall not exceed HUD's affordability standard of thirty percent (30%) of the income of a household making less than or equal to sixty percent (60%) of the area median income (as determined by HUD from time to time). In each subsequent calendar year, the monthly net rent for each For-Rent Affordable Dwelling Unit may be increased up to three percent (3%). The term "net rent" means that the rent does not include Homeowners Association fees but does include an allowance for tenant-paid utilities. The requirement that the rents for such For-Rent Affordable Dwelling Units may not exceed the maximum rents established in this Section shall apply for a period of ten (10) years following the date the certificate of occupancy is issued by the County for each For-Rent Affordable Dwelling Unit, or until the units are sold as low or moderate cost units qualifying as such under either the VHDA, Farmers Home Administration, or Housing and Urban Development, Section 8, whichever comes first (the "Affordable Term").
 - b. **Conveyance of Interest.** All deeds conveying any interest in the For-Rent Affordable Dwelling Units during the Affordable Term shall contain language reciting that such unit is subject to the terms of this Section. In addition, all contracts pertaining to a conveyance of any For-Rent Affordable Dwelling Unit, or any part thereof, during the Affordable Term shall contain a complete and full disclosure of the restrictions and controls established by this Section. At least thirty (30) days prior to the conveyance of any interest in any For-Rent Affordable Dwelling Unit during the Affordable Term, the then-current Owner shall notify the County in writing of the conveyance and provide the name, address and telephone number of the potential grantee, and state that the requirements of this Section have been satisfied.
 - c. **Reporting Rental Rates.** During the Affordable Term, within thirty (30) days of each rental or lease term for each For-Rent Affordable Dwelling Unit, the Applicant or its successor shall provide to the Housing Office a copy of the rental or lease agreement for each such unit rented that shows the rental rate for such unit and the term of the rental or lease agreement. In addition, during the Affordable

Term, the Applicant or its successor shall provide to the County, if requested, any reports, copies of rental or lease agreements, or other data pertaining to rental rates as the County may reasonably require.

4. Tracking. Each subdivision plat and site plan for land within the Property shall designate lots or units, as applicable, that will satisfy the 20% Affordable Housing Requirement. Such subdivision plat(s) or site plan(s) shall not be required to identify the method by which the 20% Affordable Housing Requirement will be satisfied. The aggregate number of such lots or units designated for affordable units within each subdivision plat or site plan shall constitute a minimum of twenty percent (20%) of the lots or units in such subdivision plat or site plan, unless such subdivision plat or site plan does not contain any residential uses. The Applicant, at the Applicant's option, may accelerate the provision of affordable units ahead of the 20% Affordable Housing Requirement and shall be entitled to receive credit on future subdivision plat(s) or site plan(s) for any such units provided beyond the 20% Affordable Housing Requirement.
