

Albemarle County Policy

	Policy No.: BP-##	Approved Date:
	Policy Name: Investment Policy	Adopted Date:
	Prepared By: Department of Finance & Budget, Office of Investment & Debt Management	Amended Date:

PURPOSE

The purpose of the Investment Policy is to establish the framework for investing Albemarle County's public funds in a manner that ensures safety, liquidity, and yield, in accordance with applicable laws and prudent financial practices. The policy functions as a complementary component of the County's overall Financial Management Policies by ensuring that funds are invested lawfully, transparently, and efficiently, and provides standards for internal controls, performance measurement, reporting, authorized investments, and oversight.

SCOPE

This policy applies to the investment of all financial assets and funds held by the County, including operating cash, reserves, bond proceeds, and other financial assets. It covers all County monies identified except:

- Monies held in escrow (e.g., performance bonds).
- Monies held in non-zero balance bank accounts related to programs administered with funds from external sources.
- Unreimbursed bond proceeds and related interest.
- Earned credit account monies.

Funds covered under this policy include all governmental, proprietary, trust, agency, and other funds managed by the County, including those held for related entities such as the Albemarle County Economic Development Authority.

DEFINITIONS

Safety. Preservation of principal through minimizing credit and market risk.

Liquidity. Ensuring that funds are available to meet operational and debt service requirements.

Yield: Attaining a market rate of return within the constraints of safety and liquidity.

Prudent Person Standard. Requirement that investments be made with judgment and care equivalent to that used by a prudent individual managing their own affairs.

Delivery vs. Payment (DVP). A settlement method ensuring that securities are deposited with the custodian before County funds are released.

Authorized Investments. Investments permitted under the Virginia Investment of Public Funds Act and additional restrictions established by the County.

1.0 POLICY OVERVIEW

- 1.1 The Investment Policy functions as a complementary component of the County's overall Financial Management Policies by providing the framework for investing public funds and ensuring their prudent, lawful, and transparent management.
- 1.2 The County will invest County-held funds, including operating cash, reserves, bond proceeds, and other financial assets, in accordance with the County's Investment Policy (the "Policy") to maximize return, while adhering to the following investment priorities in order of importance: safety, liquidity, and yield. The County will invest in conformance with the Virginia Security for Public Deposits Act, Government Finance Officers Association (GFOA) best practices, and all other applicable laws and regulations.
- 1.3 The Chief Financial Officer will oversee the day-to-day management and will maintain a system of internal controls for investments, which will be documented in writing and subject to review by the County's independent auditor. The Advisory Investment Committee of staff is advisory, helping to ensure that

investments are made in accordance with policy, legal constraints, and prudent financial management.

- 1.4 The County will conduct a comprehensive cash flow analysis at least annually. Disbursements, collections, and deposits of all funds will be scheduled to ensure maximum cash availability and investment potential.
- 1.5 Investment performance will be measured against appropriate benchmarks (e.g., Local Government Investment Pool (LGIP), Treasury indices). Monthly reports will be provided to the Advisory Investment Committee, and quarterly reports will be provided to the Board of Supervisors, including holdings, returns, and compliance metrics.

2.0 GOVERNING AUTHORITY

Funds of the County will be invested in accordance with this policy and all applicable local, state and federal codes and regulations including but not limited to the Virginia Investment of Public Funds Act (Code of Virginia §2.2-4500 et seq.), the Virginia Security for Public Deposits Act (Code of Virginia § 2.2-4400 et seq.) and the Virginia Public Procurement Act (Code of Virginia § 2.2-4300 et seq.).

3.0 INVESTMENT COVERAGE

- 3.1 This policy applies to the investment of all the financial assets and funds held by the County. Specific requirements or limitations imposed upon the investment of Bond Proceeds, Debt Service Funds, and Debt Service Reserve Funds are in Section 12.3 of this policy.
- 3.2 This policy applies to all County monies identified except:
 - Monies held in escrow, such as Performance Bonds.
 - Monies held in a non-zero balance bank account for programs administered by a Department from private donors or other governmental entities such as DSS Special Welfare fund (i.e. County holds the funds until they are paid to certain recipients).
 - Unreimbursed bond proceeds and any interest earned on such proceeds.
 - Earned Credit Account monies.
- 3.3 Funds included in the investment policy are accounted for in the County's Annual Comprehensive Financial Report and include, (but are not limited to):
 - General Fund
 - Special Revenue Funds
 - Debt Service Funds
 - Capital Projects Funds
 - Internal Service Funds
 - Trust and Agency Funds
 - Enterprise Funds
- 3.4 Funds of other entities, including those who act as conduit issuers for bonds secured by the County's annual appropriation, are subject to this policy. These funds include. but are not limited to the following examples:

- Albemarle County Economic Development Authority
- Albemarle Broadband Authority

4.0 OBJECTIVES

All of the County's funds, regardless of investment terms, will be invested with the following objectives listed in the order of priority:

- i. Safety- Safety of principal is the foremost objective of the investment program. Investments will be undertaken in a manner that seeks to ensure preservation of capital in the overall portfolio.
- ii. Liquidity – The investment portfolio will remain sufficiently liquid to enable it to meet all operational requirements which might be reasonably anticipated.
- iii. Yield – The investment portfolio will be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account its investment risk constraints and the cash flow characteristics of the portfolio.

5.0 PRUDENCE

- 5.1 Investment personnel will adhere to the “prudent person” standard, applied in the context of managing the County's overall portfolio. This standard states:
“Investments shall be made with judgment and care—under circumstances then prevailing—which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.” *See Harvard College v. Amory, 9 Pick. 446, 461 (Mass. 1830).*
- 5.2 In accordance with the Investment of Public Funds Act (Virginia Code § 2.2-4500 et seq.), the Chief Financial Officer and their designees with delegated investment authority will not be held personally liable for fluctuations in market value or credit risk of individual securities, provided that:
 - due diligence was exercised in the selection and management of the investment;
 - any material deviations or emerging risks are reported promptly to the Advisory Investment Committee; and
 - reasonable and prudent actions are taken to mitigate adverse developments.

6.0 ETHICS AND CONFLICT OF INTEREST

- 6.1 The Chief Financial Officer, their designees, and employees, including the Advisory Investment Committee, who are involved in the investment process, will comply with the County's Code of Ethics and the Virginia State and Local Government Conflict of Interests Act, Code of Virginia §2.2-3100 et seq. Specifically, they will:
 - Refrain from accepting any money, loan, gift, favor, services or business or professional opportunity that could reasonably be perceived to influence the performance of their official duties.

- Disclose any material financial interests in institutions with which the County conducts business, or any personal investment positions with the County's investment portfolio.
- Refrain from engaging in personal investment transactions with individuals or entities that conduct business on behalf of the County.
- Refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions.

7.0 DELEGATION OF AUTHORITY

- 7.1 Authority to manage the investment program is granted to the County's Chief Financial Officer (Director of Finance) who is the official charged with receiving, collecting, safeguarding, and disbursing County funds in accordance with Code of Virginia § 15.2-519. The Chief Financial Officer is responsible for considering the quality and capability of staff, investment advisors, and consultants involved in investment management for the operation of the County's investment program.
- 7.2 The Chief Financial Officer may designate the authority to manage the day-to-day operations of the investment program to the Chief of OIDM as the Investment Officer who will act in accordance with established written procedures and internal controls for the operation of the investment program consistent with this investment policy. The Chief of OIDM may delegate authority to members of their staff yet has the responsibility to oversee members of their staff in the solicitation of offerings, the placing of purchase and sell orders, confirmation of trades, the preparation and distribution of reports, and other activities as required for the daily operations of the investment area. No person may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Investment Officer.
- 7.3 The Chief of OIDM is also charged with developing written standard investment procedures and an asset allocation plan consistent with this policy. Such procedures will be approved by the Chief Financial Officer.
- 7.4 The Chief Financial Officer may engage financial consultants on a contractual basis to assist in the development and implementation of investment procedures and policies, to provide guidance in investment matters, and to monitor the effectiveness and continued compliance with such policies and procedures, subject to the County's purchasing rules and regulations.

8.0 ADVISORY INVESTMENT COMMITTEE

- 8.1 The Advisory Investment Committee serves in an advisory capacity to support the prudent management of the County's investment portfolio. Its responsibilities include monitoring portfolio performance and structure, reviewing compliance with applicable laws and policies, and providing guidance on investment strategy, risk management, policy updates, and economic considerations that affect the County's development.

- 8.2 The Advisory Investment Committee will consist of the following members, representing a cross-functional group, selected for their roles, expertise, and availability such as:
- Representative of the County Executive's Office – Provides strategic alignment with County-wide priorities and executive oversight.
 - Chief Financial Officer – Serves as Chair of the Committee and may delegate the role of Chair at their discretion. Provides oversight in alignment with fiscal policy and strategic objectives.
 - Chief of OIDM - Responsible for operational execution of investment decisions and reporting, including coordinating with Office of Management and Budget (OMB) and the Controller's Office for budget and accounting requirements
 - Representative of Risk Management – Provides guidance on investment-related risks and ensures alignment with the County's overall risk framework.
 - Representative of the County Attorney's Office – Provides legal review and ensures investment activities and policies comply with applicable laws.
 - Member of the Economic Development Office – Contributes perspective on local economic trends, business climate, and investment opportunities that support community growth.
 - Other Employees as proposed by the Committee – Additional members may be nominated by the Committee based on relevant expertise, operational needs, or strategic considerations. Such appointments will be documented and approved by the Committee Chair.
- 8.3 In the event of a vacancy or temporary unavailability, the Committee may appoint a qualified alternate with relevant expertise. The Committee may also invite subject matter experts or external advisors to participate in discussions as non-voting members when specialized knowledge is required.
- 8.4 The Committee will meet at least quarterly.

9.0 SAFEKEEPING

- 9.1 All investment securities purchased by the County will be held by a third-party custodian, when applicable, as designated by the Chief Financial Officer or their designee. Custody of these securities must be evidenced by a safekeeping receipt.
- 9.2 In accordance with Virginia Code § 2.2-4515, securities with maturities greater than 31 calendar days or more will not be held in safekeeping by the counterparty to the investment transaction. For the purposes of this policy, a counterparty is defined as the issuer or seller of the security, any agent acting on their behalf, or any provider of repurchase agreements.
- 9.3 All investments will be safeguarded in a manner that minimizes custodial credit risk, ensuring that securities are insured, registered, or held in the County's name by the County or its designated agent, consistent with the disclosure requirements of Governmental Accounting Standards Board (GASB) Statement No. 40.

- 9.4 The County will obtain the safekeeping institution's most recent Security Operations Center (SOC) 1 Type II report, issued under Statement on Standards for Attestation Engagements (SSAE) 18, on an annual basis to demonstrate the design and operating effectiveness of internal controls relevant to financial reporting.

10.0 INTERNAL CONTROLS

- 10.1 The Investment Officer will establish and maintain a system of internal controls, documented in writing, to safeguard public funds. These controls will be made available annually for review to the Advisory Investment Committee and the County's independent auditor.
- 10.2 The internal control system will be designed to mitigate risks including fraud, employee error, misrepresentation by third parties, unexpected market fluctuations, and imprudent actions by County personnel. The framework should reflect principles consistent with the Committee of Sponsoring Organizations of the Treadway Commission (COSO) Internal Control Framework and GFOA best practices for public investment programs.

11.0 DELIVERY VS. PAYMENT

- 11.1 All trades of marketable securities will be executed on a delivery versus payment (DVP) basis to ensure that securities are deposited with the County's custodian prior to the release of funds.

12.0 REQUIREMENTS FOR SUITABLE AND AUTHORIZED INVESTMENTS

- 12.1 Investments of public funds are set forth in the Virginia "Investment of Public Funds Act" (VIPFA), Code of Virginia §2.2-4500 et seq. and in the Virginia Local Government Investment Pool Act (LGIP), Code of Virginia §2.2-4600 et seq. Within this statutory framework, the County restricts its investment activity to the following categories of securities. The County sets forth additional conditions by policy for maturity and creditworthiness which is summarized in the table below.

*NOTE: The County may invest in LGIP and other investment pools (such as VML/VACO and VA MINT), subject to prudent portfolio diversification and liquidity requirements. While no statutory maximum applies, the County will monitor exposure to any single pool to ensure alignment with overall investment objectives.

12.3 SUITABLE & AUTHORIZED INVESTMENTS – RESTRICTED FUNDS.

12.3.1 Bond Proceeds held by a trustee are typically subject to compliance with the federal tax rules for tax-exempt bonds. These proceeds typically are invested in the Virginia State Non-Arbitrage Program (“SNAP”).

12.3.2 Debt Service Reserve Funds are contingency funds held to cover debt service payments in case of revenue shortfalls. These funds will be invested in accordance with their bond indenture and the Code of Virginia.

12.3.3 Sinking funds as defined by § 2.2-4500 of the Code of Virginia will be invested in accordance with their bond indenture and as authorized by the Code of Virginia.

12.4 DOWNGRADED SECURITIES (OUT-OF COMPLIANCE). If a security no longer meets the required credit quality standards after purchase, the Investment Staff will promptly notify the Chief Financial Officer. The security will be evaluated for potential divestment, and any decision to retain it must be supported by documented justification and approved by the Chief Financial Officer.

12.5 COLLATERALIZATION. Where allowed by governing legislation and in accordance with the GFOA Recommended Practices on the Collateralization of Public Deposits, full collateralization will be required on all demand deposit accounts, including checking accounts and certificates of deposit, for amounts exceeding FDIC coverage.

13.0 AUTHORIZED BROKER/DEALERS

13.1 A list will be maintained of financial institutions and depositories authorized to provide investment services. In addition, a list will be maintained of approved security broker/dealers selected by creditworthiness and/or other factors, such as FINRA broker check.

13.2 All financial institutions and broker/dealers who desire to become qualified for investment transactions must first be authorized according to the County’s investment procedures.

13.3 An annual review of the financial condition and registration of all qualified financial institutions and broker/dealers will be conducted by the Investment Officer.

14.0 DIVERSIFICATION, SIZE, & MATURITY

14.1 The County will diversify its investment portfolio to avoid incurring unreasonable risks regarding (i) security type, (ii) individual financial institution or issuing entity, and (iii) maturity. Target asset allocation strategies will be developed by the Chief Financial Officer, or designee, and delivered to the Advisory Investment Committee to provide guidance as to appropriate levels of diversification.

- 14.2 Funds available for investment under the program are structured as portfolios such as:
- the Liquidity Portfolio which holds funds needed to meet short-term payment obligations,
 - the Core Portfolio which holds funds not expected to be drawn upon for a period of more than one year, and
 - the Long-Term Portfolio which holds funds not anticipated to be drawn upon for extended periods, but available in response to extraordinary economic conditions.
- 14.3 To the extent practicable, the County will structure its investment portfolios to match anticipated cash flow requirements, thereby ensuring adequate liquidity. Unless specifically aligned with a known cash flow need or permitted by governing legislation, the County will not invest in securities with maturities exceeding five (5) years from the date of purchase.
- 14.4 The County will establish investment maturity limits through written procedures adopted by the Investment Officer. These limits will reflect the County's objectives of safety, liquidity, and yield. The procedures will specify measurable criteria, including weighted average maturity (WAM) thresholds, and will be reviewed periodically to ensure alignment with market conditions and operational needs. The maturity framework established in the procedures will be consistent with the GFOA Recommended Practice on Maturities of Investments in a Portfolio.

15.0 COMPETITIVE SELECTION OF INVESTMENT INSTRUMENTS

- 15.1 The County pursues the competitive selection of investment instruments whenever practicable. This approach ensures that the County secures favorable pricing, avoids excessive fees or mark-ups, and maintains transparency in its investment activities.
- 15.2 Investment decisions will be guided by asset allocation objectives, anticipated expenditure schedules, and established selection criteria. These criteria may include, but are not limited to, yield, maturity, credit quality, liquidity, diversification, and alignment with the County's risk tolerance and policy objectives.
- 15.3 Competitive offers will be solicited from a list of approved providers, and selections will prioritize the most advantageous terms while remaining in compliance with this policy.
- 15.4 The County may, on occasion, accept investment offers outside of a competitive process when such offers are deemed to be in the County's best interest. In such cases, the County will ensure and document that pricing is reasonable and that the investment aligns with policy objectives. All non-competitive investment decisions must be authorized by the Chief Financial Officer.
- 15.5 Investments in money market funds, investment pools, and overnight securities are exempt from the competitive selection requirement. Nonetheless, the County will monitor available yields and ensure that such investments provide competitive returns consistent with this policy and the County's selection criteria.

16.0 REPORTING REQUIREMENTS

- 16.1 The OI DM Staff will prepare investment activity reports at least quarterly, including a management summary analyzing portfolio status and transactions. Portfolio reports will be presented to the Advisory Investment Committee and provided to the Board of Supervisors. Each report will include:
- A listing of individual securities held, including type, acquisition cost, book cost, and market value.
 - Realized and unrealized gains/losses for securities not held to maturity.
 - Average weighted return compared to applicable benchmarks.
 - Portfolio composition by investment type.
 - A statement of compliance with the investment policy and its objectives.
- 16.2 The market value of the portfolio will be calculated and reported at least quarterly, consistent with GASB Statement 31 (Accounting and Financial Reporting for Certain Investments and for External Investment Pools) and GASB Statement 40 (Deposit and Investment Risk Disclosures-An Amendment of GASB Statement No. 3), and GFOA's Recommended Practice on Mark-to-Market Reporting.
