# Introduction

The Virginia Department of Transportation (VDOT) is acquiring the necessary property and temporary construction easements to construct a proposed continuous green-T intersection at the intersection of Rio Road east (Rt 631) and Belvedere Boulevard (Rt 1900).

This project was identified in the Rio Road Corridor Study to address safety and mitigate congestion. It is funded through the Virginia Smart Scale Program.

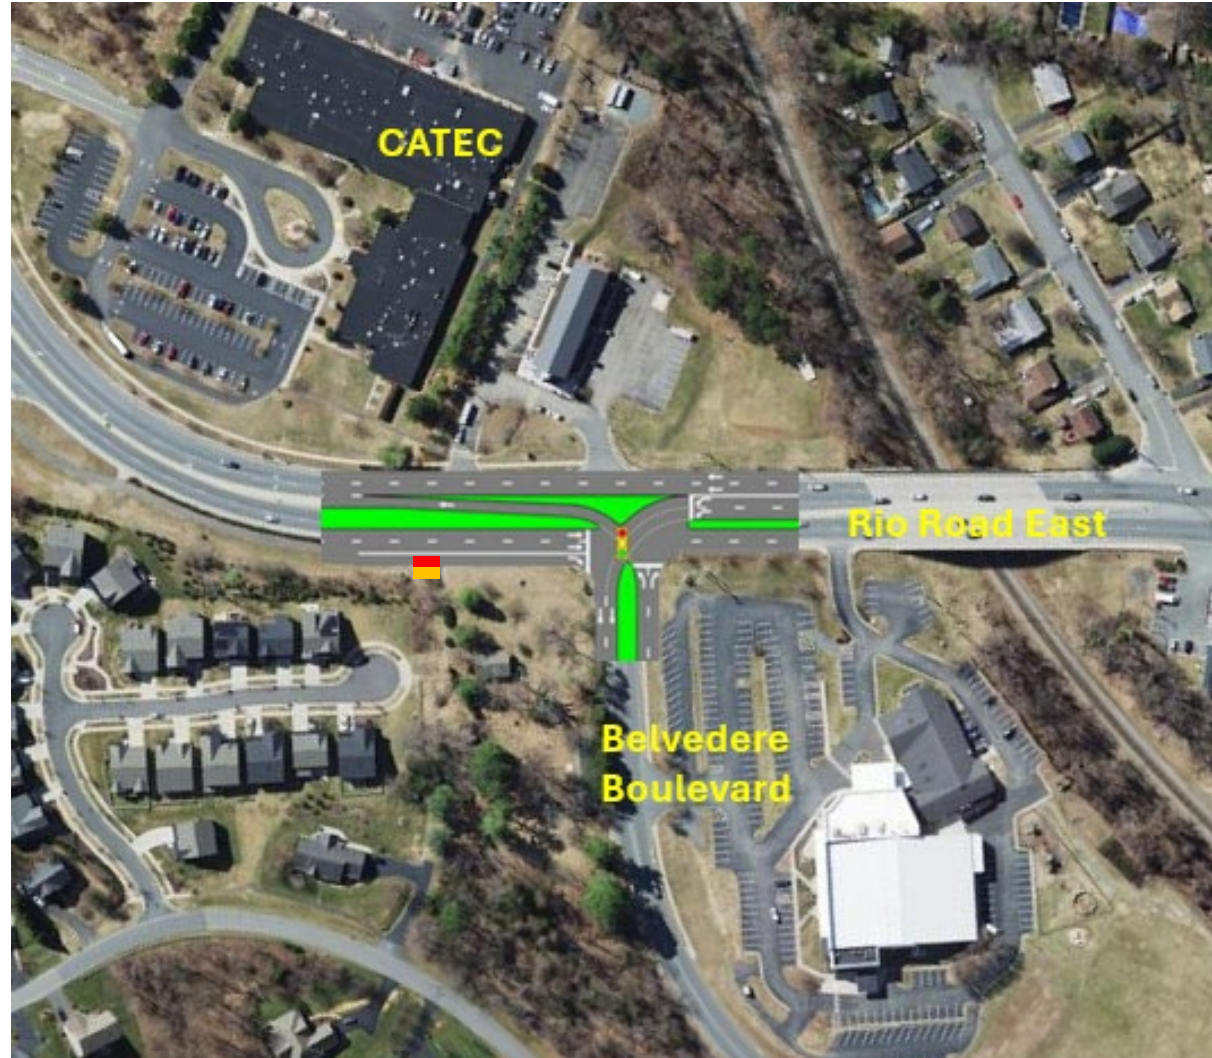

# Property Location

# Specifics of the Proposal

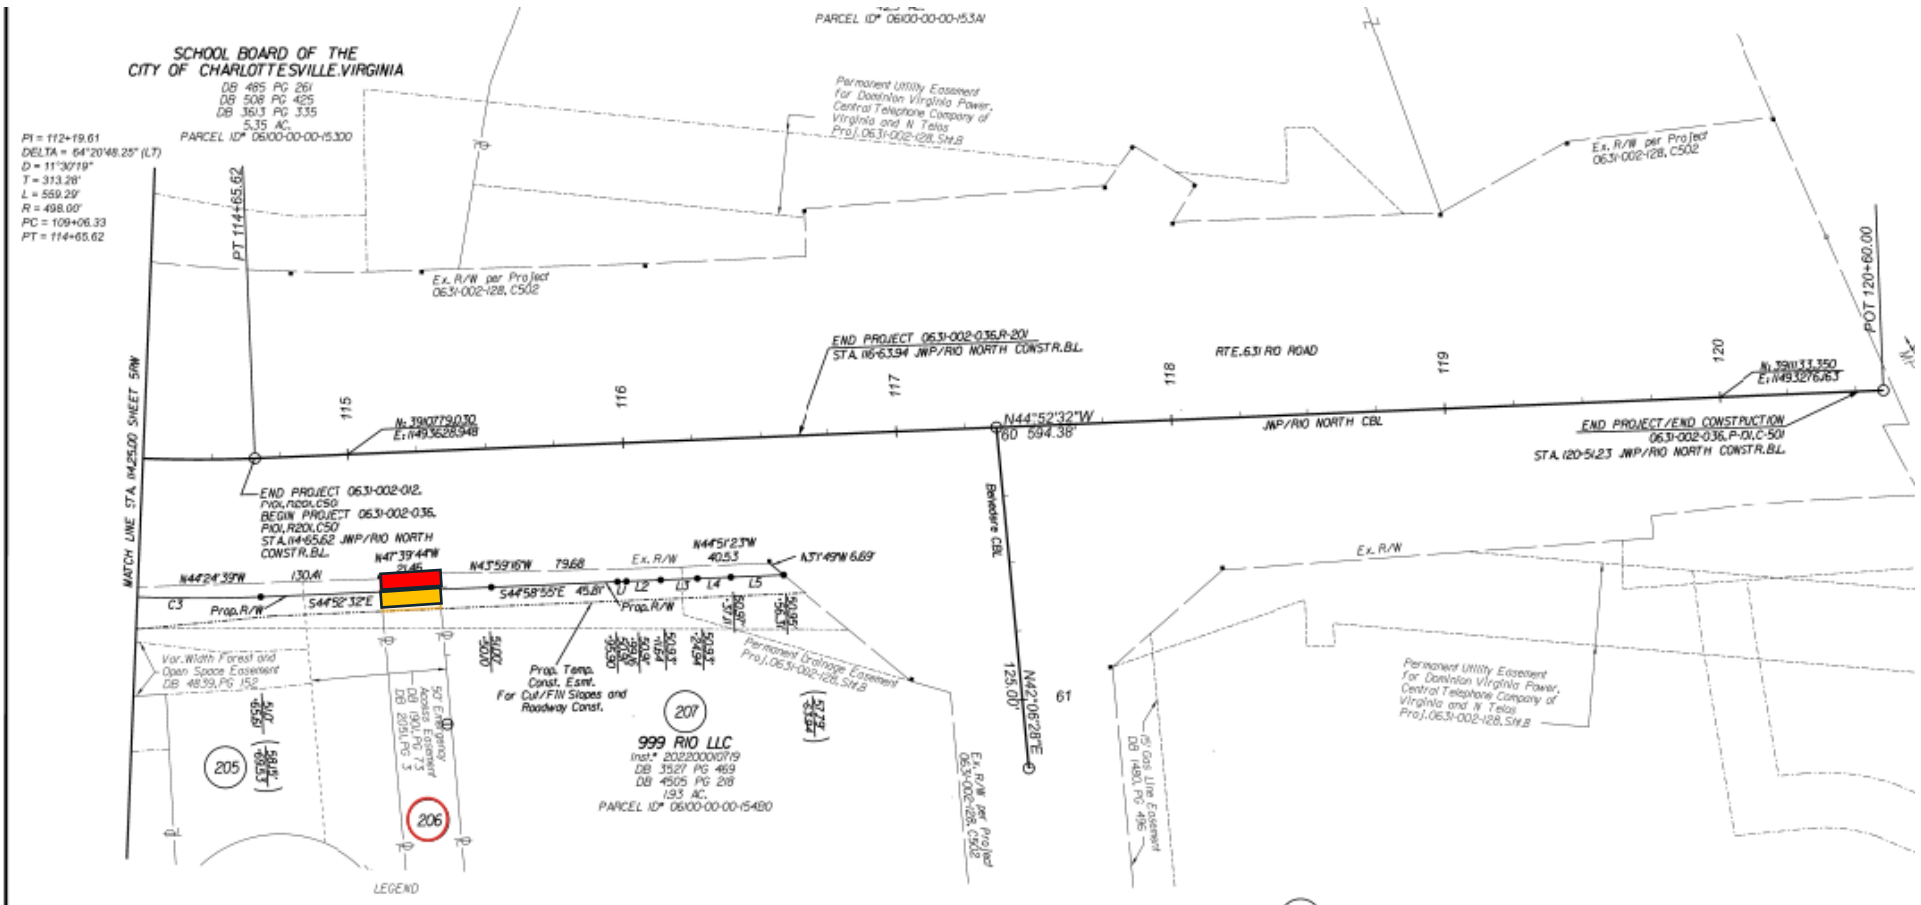

## REQUEST

- Convey Right-of Way & temporary construction easements to VDOT at Parcel 62F-E2
- Facilitate construction of continuous green-T intersection at Rio Rd and Belvedere Blvd.
- Virginia Code § 15.2-1800 requires a public hearing prior to the conveyance of County-owned property

# Proposed Property Conveyance:

# Recommendation

Staff recommends that the Board adopt the attached Resolution approving the easement and authorize the County Executive to execute a deed and any other necessary or related documents to grant the easement.
