<b>Title:</b>	<b>Appropriating a grant of public funds for housing assistance to low- and moderate-income homeowners within the City of Charlottesville - \$1,360,000 (2nd reading)</b>

**Background**

Attached is an appropriation resolution for Council’s consideration, to provide a public grant to the City’s local board of social services, to assist needy persons with ongoing costs of home ownership.

**Discussion**

For some time, City Council has sought to assist low- and moderate-income persons whose ownership of a home may be in jeopardy due to financial distress associated with the costs of homeownership. In the face of a continuing affordable housing crisis, there are a significant number of persons whose status as homeowners is tenuous due to rising transportation, utility and food costs, rising real estate and personal property taxes, and other circumstances that result in costs of homeownership exceeding reasonable portions of a family’s income.

Pursuant to the provisions of Va. Code §63.2-314, the City Council may make a grant of public funds to the City’s Director of Social Services, in her capacity as the “local board”, for the purpose of aiding needy persons within the City. Eligibility of homeowners to receive disbursements from this grant fund need not be limited to the requirements for any state public assistance programs, or any VHDA program. Upon City Council’s appropriation of funds to the Director of DSS, the public funds would be deposited in the local treasury to the credit of the local board. The Director of DSS, in her capacity as the “local board”, will be responsible for dispensing the funds in accordance with specific eligibility requirements. The Director will utilize existing staff in the Commissioner of Revenue’s office, to assist with processing of applications and determinations of eligibility, using a cooperative agreement.

For 2023, the following income parameters are proposed, with relief calculated as flat amounts:
