Title:	Ordinance for Temporary Aerial Easement for the Verve Charlottesville PUD at 409 Stadium Road (2nd reading)

Background

Subtext Acquisitions, LLC is in the process of developing property known as the Verve Charlottesville located at 409 Stadium Road in the City of Charlottesville. Subtext represents that the proposed new building being constructed will require placement of up to three (3) tower cranes on their property. The booms of the cranes would swing over the airspace of City right-of-way located along Stadium Road, Montebello Circle, and Jefferson Parke Avenue. It is anticipated that the easement will not exceed a period of five (5) years.

Discussion

City Council is authorized by Virginia Code 15.2-1800 (B) to “dispose” of its interests in City-owned real estate, in whole or in part (including granting easements to private parties). Prior to approving an easement, City Council must hold a public hearing. This request does not implicate the requirements of Virginia Code 15.2-2100 because it is not a permanent disposition (equivalent to a sale of a property interest) and the duration of the proposed easement is less than five (5) years.

City staff have reviewed the request and have no objection to the conveyance of said easements.

Alignment with City Council's Vision and Strategic Plan

Housing - Charlottesville defines access to livable housing as a human right and works to ensure housing choices and mobility are provided for all who seek it through implementation of the Affordable Housing Plan.

Community Engagement

A public hearing is required by Virginia Code 15.2-1800 (B).

Budgetary Impact

None.

Recommendation

Approval.

Alternatives
