# Encampment Outreach/Logistics

- Holiday Drive opened as planned on September 1st
- On September 1<sup>st</sup> City staff and community partners met onsite and aligned participants with the logistical and operation outlay
- In addition to the outreach conducted throughout the past months, City staff and community partners were present on September 1<sup>st</sup>
- City staff and community partners were available to help with resource navigation, packing of personal belongings, transportation, and overall support during the move out of remaining individuals
- Staff and community partners worked late into the evening on both September 1<sup>st</sup> and 2<sup>nd</sup>

# Holiday Drive

- The CEO of CASS in collaboration with our CAPE team completed an informational video at the shelter on August 31 and can be found on YouTube (2000 Holiday Drive Tour)
- Holiday Drive Shelter currently has a total of 57 guests

# Key Takeaways

- Efforts to connect individuals with available services will continue
- Contractors maintained a cleaning presence in the area after all encampment residents vacated
- No arrests made for trespassing
- CPD/CFD continue to closely monitor the Holiday Drive area for any spikes in CFS
- Collaboration with our local providers and community partners continue does not end here
