Benefits & Features

- **Cost effective to maintain integrity of building perimeter security**
 - Will reduce metal keys in circulation
 - Inexpensive replacement/cancellation of credentials (vs. keys)
- **Synchronized with bell system for open campuses**
- **Integration with K12 & Active Directory**
- **Secure remote system access**
- **Monitoring and alarms**
- **Event logs and reporting**
- **Integration with camera system**

The background features several sets of concentric, curved lines in shades of gray, some solid and some dashed, creating a sense of depth and movement. In the center, there is a large orange speech bubble with a white outline and a small white triangle pointing downwards at its base. The word "Questions?" is written in white, sans-serif font inside the speech bubble.

Questions?
