<b>BACKGROUND INFORMATION:</b>	<p>The Charlottesville Police Department (CPD) has been asked to provide data pertaining to calls for service and arrests for all schools. The attached reports were compiled by the CPD crime analyst and will be updated after the close of each calendar quarter moving forward. All data is compiled using the schools' addresses.</p> <p>All arrests are listed from 2019 to present, and demographics are included if the individual was a student.</p> <p>Calls for Service data is also based on the service address. Unlike the arrest data, it is limited to calls during school hours (between 7AM and 4PM). Demographics are not included in calls for service data because it is not available or known for all calls (trespassing, theft, other suspicious activity, etc.).</p>
