

Community Feedback Summary: School Board Strategic Priorities

Executive Overview

The School Board asked community members to put stars on their top CCS Board Priorities. This feedback was collected at outreach events including City of Cville Farmers' Markets in Summer 2026 as well as the division's PL Palooza on August 5, 2026.

The community submitted a total of **377 stars** across nine categories. Feedback strongly emphasizes investing in educators and maintaining safe, supportive learning environments, with these two areas alone capturing nearly 38% of all votes.
