Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I love the opportunities that Harrisonburg City offers its citizens through Parks and Rec. I would like to do what I can to help keep the activities strong and grow even more opportunities.

What other interests or concerns do you have regarding the community?

I have concerns about youth sports in our city and the ability to have enough young leagues to support many sports at two high schools in the city.

What relevant experience or education do you have to this board or commission?

I have lived in the city for almost 30 years and have seen our parks and rec department grow. My marketing experience and knowledge of city programs should help me provide the best guidance possible.

Please list any past or present community involvement e.g. City Council, Boards and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:

None. I am doing this from my phone so I don't have access to my resume but will send it if need be.
