In reference to the above four (4) public hearings for agricultural and forestal districts; and in accordance with Section 15.2-4307 of the State Code of Virginia –

- an application for a district or an addition has been filed with the program administrator;
- the application will be on file open to public inspection in the office of the clerk of the local governing body;
- any owner of additional qualifying land may join the application within thirty days from the date of the notice or, with the consent of the local governing body, at any time before the public hearing the local governing body must hold on the application;
- any owner who joined in the application may withdraw his land, in whole or in part, by written notice filed with the local governing body, at any time before the local governing body acts pursuant to § 15.2-4309; and
- additional qualifying lands may be added to an already created district at any time upon separate application pursuant to this chapter;

Adjacent and area property owners who would like to join the proposed districts are invited to do so by contacting the Community Development Department at the above address within thirty (30) days of this notice or with consent of the local governing body. This district will be subject to public review and hearings with the Planning Commission and Board of Supervisors, through separate notice.

Public Hearing - ORD2026 – Amendments to Chapter 86. Land Development Regulations, Add Section 86-44. Conditional Use Permits for Electric Transmission Facilities

The purpose of this amendment is to establish conditional use permit criteria for electric transmission facilities; which is intended to accomplish the following: provide for the orderly siting of electric transmission facilities; minimize adverse impacts on residential areas, agricultural lands, and rural character; ensure compatibility with existing and planned land uses; protect public infrastructure, including roads and utilities; establish reasonable conditions for construction and operation; and ensure compliance with applicable state and federal regulations. THESE REGULATIONS APPLY THROUGHOUT ALL OF LOUISA COUNTY; and are proposed pursuant to Va. Code §§ 15.2-2285 and 15.2-2286. The Planning Commission forwarded a recommendation of approval.
